Long-Term Care (LTC) is what an individual needs when he or she requires regular assistance with day-to-day functions like bathing, eating and/or dressing or supervision due to cognitive impairment. LTC insurance helps pay for care at home, in an adult day care center, assisted living facility, nursing home or hospice — it's your choice.
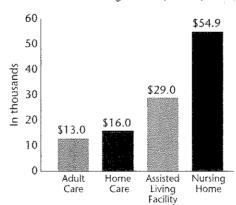

Why Long-Term Care Insurance?

With today's enhanced longevity, a growing number of Americans "live, get sick, progressively lose function, and then die."* When this happens, we not only lose the freedom to care for ourselves, we may be forced to completely deplete a lifetime of savings unless specific LTC insurance is part of our personal financial plan for protection of assets when we grow older.

Long-Term Care is:
- *NOT covered by your medical program.*
- *NOT covered by disability insurance.*
- *NOT covered by Medicare to any substantial degree.*
- *NOT covered by Medicaid unless one's assets have been reduced to the poverty level.*

Spousal Discount	*There is a 10% discount in premiums if both the employee/retiree and spouse enroll.*
Rates and Method of Payment	Employees will make after-tax payroll deductions for themselves and their spouses. All others are billed directly by Aetna.
Daily Benefit Amount (DBA)	You choose a Daily Benefit Amount (DBA**) of $100, $150, and $200, or select** anywhere from $100 to $350 in $1 increments. The plan will reimburse you for expenses incurred up to a certain percentage of your DBA (see Expenses Covered). The DBA is the maximum amount of coverage your plan can provide you each day.
How You Qualify for Benefits	You qualify for claim if a licensed health care practitioner certifies that you are unable to perform at least two of six activities of daily living: bathing, dressing, eating, transferring, toileting, continence (for at least 90 days) or have a severe cognitive impairment (like Alzheimer's). You must also submit a claim form. Aetna decides when a qualifying loss of functional capacity occurs and may consider information from the covered person, his or her attending physician and other health care providers. Aetna reserves the right to continue to evaluate claims following initial approval.
Single Waiting (Deductible) Period of 90 Days	In order to receive benefits, only one consecutive 90-day waiting (deductible) period needs to be met, regardless of how often and for what reason you qualify for claim. The waiting period helps keep plan rates affordable.
Premiums Waived When in Claim	After the 90-day waiting period, premiums are waived. You pay no premiums while you receive benefits.
Restoration of Benefits	Your total Lifetime Maximum Benefit is restored to its original value when you recover and resume premium payments.
Voluntary Inflation Protection Increase	**(Voluntary Increase)** If you choose to include this feature in your LTC plan, you may increase your coverage every three years without proof of good health to help keep pace with the rising cost of long-term care. You may increase your coverage through this feature even if you are in claim as long as you have not turned down a previous offer.
(Optional) Return of Contributions (ROC) Feature	If you die while paying premiums, a named beneficiary will receive 100% of premiums you have paid for LTC. However, the following rules apply: ▪ For employees, the amount of the refund is reduced by 10% starting at the later of age 65 or retirement. ▪ For all other enrollees, the amount of the refund is reduced by 10% starting at age 65. The reduction will result in no benefit being payable nine years after reduction begins. If you are receiving benefits at the time of your death, no ROC is payable.
30-Day Free Look	Your premiums will be refunded if you cancel your plan within 30 days of receiving your Certificate of Coverage booklet.

Respite Care: 50% of your DBA for up to 21 days per calendar year.
<u>**Choice of**</u> **Lifetime Maximum Benefit Amount**	**You may select a 3, 5 or 7 year Lifetime Maximum Benefit.** Your Lifetime Maximum Benefit is determined by multiplying the number of days in 3, 5 or 7 years by your Daily Benefit Amount (DBA). To determine the *total amount* of money that your coverage provides; i.e. "Lifetime Maximum Benefit": 1. Multiply the DBA you select by 365 (days in a year) 2. Multiply that result by the number of years your plan is based on (3, 5 or 7 years). Based on when and where you receive care, your Lifetime Maximum Benefit could be paid out in a minimum of 3, 5 or 7 years or in a *much longer* period of time. *Example on Calculating the Lifetime Maximum Benefit:* *DBA = $200* *Lifetime Maximum Benefit is based on 5 years.* *Therefore, your total lifetime Maximum Benefit is: $200 x 365 = $73,000 x 5 years = $365,000.*
Leave Your Job and Continue Coverage	If you leave your current employer you can continue your coverage *at the same group rate* by paying premiums directly to Aetna.
